Tournament Administration

The tournament will be overseen by a Tournament Director and the Supervisor of Officials. These two parties, along with Rink Management, will make up the Disciplinary Committee. Any issues that a team has may be presented to the Tournament Director by the Team Captain at any time throughout the tournament. The Tournament Director will have the final say in all matters, and reserves the right to adjust Tournament Rules as needed.

Game Format

Games will consist of three 20-minute run time periods with a 5 minute warm-up before the game and 1 minute rest between periods. The clock will stop for penalties and in the last 2 minutes if the score differential is 2 goals or less. The Championship game, if tied, will go into a 5-minute sudden death overtime. If still tied, play will go to a 3-man shootout, with the guest team shooting first. If still tied after the 3 player shootout, each team will get 1 more shooter per round until a winner is decided. Each player can only shoot once in the shootout until all players (excluding goalies) have taken a shot. The ice will be resurfaced between each game.
